Dear Parent/Carer

**Re: Coronavirus concerns in relation to the London Trip 2020**

In addition to the school's previous communication and following the new guidance set out by the government regarding non-essential travel in the UK, I write to inform you that Healing School has decided to post-pone the upcoming London trip (27<sup>th</sup> – 28<sup>th</sup> March 2020).

The school understands that pupils and staff were looking forward to the visit at the end of the month, but in light of the current situation that the country is faced with, and advice regarding non-essential travel, the school has to prioritise its pupil and staff.

The school is currently in liaison with the travel company and are looking to rearrange the trip at a later and more suitable date. This information will be communicated to you in due course and once confirmed, all monies can be transferred over to it.

Thank you for your continued support. The school will look forward to accompanying pupils on such a worthwhile visit at a later date.

Yours sincerely

Mrs M. Dewland  
Principal
