Dear Parent/Carer

Re: Year 10 Parents Evening

Further to the school's latest up-date regarding the outbreak of the coronavirus, I write to inform you that Healing School has decided to postpone Year 10 Parents' Evening, which was due to take place on 1st April 2020.

The school understands that parents and carers require an update of their child's progress in school, and so the school will look to rearrange the evening later in the academic year and at a more suitable time. This information will be communicated to you in due course and once confirmed, appointment sheets will be issued as usual.

Thank you again for your support and understanding during these circumstances. The school continues to follow the government's guidance for schools in relation to the virus. The well-being of pupils, staff and our community remains our highest priority.

Yours sincerely

Mrs M. Dewland
Principal
