July 2020

Dear Parent/Carer

As you will no doubt be aware, your child would normally be receiving their academic report at the end of the summer term. In view of the current circumstances and the school closure as a result of the Covid-19 pandemic, it is not possible to provide the reports in their usual format this year. Instead **Progress Indicators** for each subject area take account of work produced by pupils both prior to and following the school closure in order to provide you with helpful information about your child's general progress and attitude to learning. Please see below for details of our reporting criteria for summer 2020:

### Progress Indicators

- P1 = Excellent progress
- P2 = Good progress
- P3 = Satisfactory progress
- P4 = Requires improvement

Parents should be assured that all pupils will access a curriculum recovery programme on their return to school. Please also be advised that there is no statutory requirement to report on attendance in the current circumstances.

As regards the distribution of reports, as an alternative to the usual arrangements, the school has devised a system whereby pupils will receive their results directly on their school home drive during w/c the 13<sup>th</sup> July. The H Drive can be accessed via the means and instructions attached to this letter. **The school suggests that pupils trial accessing their H Drive before the release of reports and before the 13<sup>th</sup> July.** Year 10 reports will be released on 14<sup>th</sup> July, Year 9 on 15<sup>th</sup> July, Year 8 on 16<sup>th</sup> July and Year 7 on 17<sup>th</sup> July 2020. Please contact us via the school office should there be any technical issues. If you have any immediate questions regarding the system, please do not hesitate to contact us.

Thank you, as always, for your understanding and support in these challenging times.

Yours sincerely

Mrs M. Dewland  
Principal
