Dear Parent/Carer

Uniform Guidelines

We expect all pupils to come to school dressed smartly and adhering to the school's uniform policy. However, we have noticed that several pupils are not adhering to the specified guidelines.

We have very high expectations of our pupils in both their academic success and also how they present themselves at Healing School. We would therefore like to take this opportunity to remind you of our expectations and high standards regarding pupil uniforms which is publicised on our website. Parents / carers have also received letters regarding uniform standards prior to the start of term in September.

Footwear

Shoes should be plain black (leather or leather-type) and this is particularly important given the season. There have been several pupils with cold and wet feet because their shoes have not been appropriate for school in the wet weather. Soft canvas shoes, boots, high heels or trainers are not permitted and shoes with bows or additions are also not acceptable.

Acceptable shoes	Shoes not permitted

Skirts

Skirts must be of an appropriate length (touching the knee), plain black, tailored or pleated, not made from a stretchy material.

Acceptable skirts	Skirts not permitted

Trousers

Trousers for both boys and girls should also be plain black plain black and tailored; not 'skinny' style or with turn ups, black skinny jeans, bootleg or flares are also not permitted and must be worn off the ground.

We appreciate your ongoing support of the school's standards with regard to uniform and should you have any queries regarding any aspect of this information please feel free to contact the school office.

We will expect all pupils to wear the correct uniform by 7th January 2019. Please be aware that a colour version of this letter is available on our website.

Yours sincerely

Mrs M Dewland
Principal
