

W/C: 23/03/2020

Subject: Mathematics

Teacher: Mr Foster

Class: 10MA3

Google Classroom Code: c362hez

Instructions – Week 1

1. Pupils have three revision packs to be working through.

These are also saved in their google classroom area. They are labelled Revision Packs 1, 2 and 3. Please work through these one section at a time. Please attempt all questions in your exercise book and show all the necessary working

The answers are also available in this area but for checking purposes only. Please mark with a green pen and make the necessary corrections. Please include a www and ebi at the end of completing each revision pack.

Instructions – Week 2

1. Hegarty Maths

Please complete all work in your blue books. Log on to Hegarty Maths and complete clips:

190 and 191: Simultaneous Equations

251: Sketching Quadratic Graphs

280 and 281: Changing the subject of the formula

422: Two-way tables

125 and 126: Calculating with standard form

Please follow the 'Revision Homework' checklist in the front of your Hegarty books. Ensure that you show working when possible and use green and purple pen for your work as you go through the answers etc. Please include a www and ebi at the end of completing all 4 tasks.

On our return, I will be expecting to see plenty of work attempted.
