

W/C: 23/03/2020

Subject: MATHS

Teacher: Mr Cooper

Class: 11MA1

Instructions – All weeks

Part 1: Students to complete 1x Fix up 5 or Memri per day they would usually have maths (4 per week)

Further to this please find a list of test papers on Google classroom titled Week 1, week 2 etc...

Students should complete the appropriate week. Towards the end of the week I will upload either a video walkthrough of the paper or the mark scheme dependant on the time available.

Completing paper: 1.5 hours

Marking and correcting answers: 1.5 hour

4x fix up 5/memri: 1 hour

If any of these tasks take less than expected please continue to revise using Hegarty Maths on any tasks you need according to the most recent QLA's.

Additionally please email any questions you have about any of the maths to cooperm@healing-school.email and I will endeavour to reply to these at least once every 2 days.

The google classroom code should you need it: xctogvm
