

W/C: 23/03/2020

Subject: Mathematics

Teacher: Mr Stone

Class: 11MA2

The main priority is to complete your exam paper to a high standard but the following can be done once that task is completed.

Instructions – Week 1

Please log on to Hegarty and complete the following clips.

- Clip 344 – Algebraic direct proportion 2
- Clip 347 – Algebraic inverse proportion 2
- Clip 738 – Other compound units
- Clip 769 – Best Buys (7)

In each case you need to watch then complete the questions showing your working in the back of your exercise book.

Instructions – Week 2

Please log on to Hegarty and complete the following clips.

- Clip 777 – Error intervals
- Clip 655 – Invariance
- Clip 880 – Speed-time graphs (1)
- Clip 578 - Frustums

In each case you need to watch then complete the questions showing your working in the back of your exercise book.
