

French – Year 10

Each individual group will have more specific tasks relayed to them via Google Classroom, but in the first instance follow the instructions below:

1. Have a go at the Foundation papers at the links below. Do NOT look at the markscheme until you have finished!

June 2016 Reading: <https://cyoewow.exampro.net/>

June 2016 Listening: <https://sagaeod.exampro.net/>

June 2015 Listening: <https://xalomin.exampro.net/>

2. Start to revise and learn your Theme 1 conversation questions!

3. Please do some work on the following websites:

www.linguascope.com (healing/welovemfl)

Go to the INTERMEDIATE section and click on the French flag.

Then go onto any of the sections below and work through some exercises. Feel free to print out the worksheets and do those.

- Ma maison
- Où j'habite
- En ville
- La météo

Feel free to revise other topics covered in Theme 1 too if you want to.

www.cram.com – no school passwords but you have already set up your own personal, free account.

At the top, type in “EJH Studio Higher/Foundation : Vocab 4 : “(Choose the level appropriate for you) and this should help you to narrow it down to the current Module. Do any of the sets of Flashcards here.

www.senecalearning.com – It's your own log on and if you have already joined your teacher's group, do the work assigned to you, If not search for the KS4 AQA French course and do the following exercises:

Click on 2 – Areas of interest

2.1 Home, Town, Neighbourhood

Grammar sections 4, 5 and 6– anything you need extra practice on – tenses would be a good place to start!
