Year 10 German Work

1. You have Activ Learn activities assigned to you already, which revise module 5. There are many tasks that practise reading, listening as well as learning and testing of vocabulary. Go to www.pearsonactivlearn.com and use your school login details. You can check your progress as you complete the activities.
2. Next, you can complete the following listening and reading past exam questions on Exampro. Follow the links. There are mark schemes as well, so you can see how you did.

3. You can go onto Seneca, type in AQA GCSE German and practise vocabulary exercises on Theme 1
4. With regards to written activities, I would like you to complete a 40 or 90 word task and a translation or photocard from the choice I give you. They are also on Exampro and if you follow the link, you can choose your tasks. Please complete on a separate document, and email to me for feedback.
