Subject	Work
English	<p>Google Classroom code: tuxvgfi</p> <p>Pupils need to work on the non-fiction project, following the lessons in order and complete the tasks on the Year 8 Google Classroom – code below.</p> <p>Pupils will not be able to complete the discussion elements of the group task unless they link up with other pupils on Google classroom.</p> <p>The group tasks can be completed individually - they will just take longer to complete.</p> <p>Pupils need to read the instructions to each lesson carefully before they begin the tasks. Some lessons are expected to take more than one hour; the lesson number does not equate to a 'normal' lesson at school.</p>
