<p>KS4 OCR J276 Computer Science</p>	<p>Component 1.5 Network topologies, protocols and layers Component 1 (Mr Dent)</p> <ul style="list-style-type: none"> • Pupils are to watch the flipped learning videos available on Google Classroom. • Pupils are to ensure the Notes pages and Workbooks are completed for these units of work available on Google Classroom • Once the above is completed the pupils are then to complete the Learning Grids available on Google Classroom. Pupils should attempt to do the Learning Grid without any help in black font, and then use any resource available to check their answers in purple font. • Pupils can, when they are ready, complete the tests available. Pupils should try to be honest and complete the tests without any help. <p>2.2 Programming Techniques Component 2 (Mr King)</p>

	<ul style="list-style-type: none"> Pupils are to continue and revisit their Component 2 revision starting again with 2.2 Programming Techniques. Review flipped learning videos, Flashcards and use Seneca Learn. <p>If pupils have completed the work above then mock exam papers and answers will be posted in a PDF format where available which will include mark schemes for pupils to self-assess their work. They can also review and revise other units and make use of flash cards they have been provided for revision for each topic.</p> <p>If Thonny is available on their home machine, they can continue to practise their Python programming skills. Any difficulties or issues, please email your classroom teacher via Google Mail.</p> <p><u>General Guidance</u> <i>Doodle Learn can be accessed here Use your regular school userid and password to logon. Work issued on Google Classroom can be accessed here with pupil's school email address (eg: userid@healing-school.email) and password. Work requiring the use of eStream here will need the pupil's to log in with their regular school userid and password. Pupils should know their school userid, password and email address as they use these on a daily basis at school but should also have a label with this information in their journal.</i></p>
