  2. PREVENT
  3. PREVENT
  4. Economic and Financial Aspects of Life
  - 5-6. The World of Work
- These topic areas will be taught in units of study, building upon the knowledge they already have from KS3. Assessments will take place termly or half termly, whereby pupils will be asked to answer exam style questions which will then be marked to GCSE standard.

### Year 10

In Year 10 PWL is not formally delivered as a lesson each week but pupils complete a unit called Applying for Jobs and Courses this is to prepare pupils for their work experience placement at the end of Year 10.

### Year 11

In Year 11 PWL is not formally delivered as a lesson each week. Pupils do however undertake a sequence of lessons to help them enrol onto their desired further education provider. This work is delivered in collaboration with Lincs2.
