

## Welcome to Art

### The Art Team:

Mrs A Elliot :Teacher

New teacher :Teacher

HEALING  
SCHOOL

A Science Academy

What you are going to learn in Year 7: At the start of year 7 you focus on learning the key elements of Art which are, line, space, colour, shape, form and texture. The first project teaches you to draw your face in proportion and to paint in the style of Van Gogh who was an Impressionist artist. The second project is about Nature and focuses on drawing and painting Landscapes. You will learn about perspective in Art and how to draw in detail exploring texture.

### An introduction to Art

Draw a flower/plant in your garden or local park.

Keep looking at the flower/plant and try to record the shape as accurately as you can. Remember to always draw in pencil.

Colour each of the petals using different colours to achieve a blended effect. You can see the effect of blending colours together on the flower in the picture. Pencil crayons or pastels work best for this activity.

A large, empty rounded rectangular box with a double green border, occupying the upper two-thirds of the page. It is intended for drawing or writing.

**Topics I have already studied in Art:**

A smaller, empty rounded rectangular box with a double green border, located at the bottom of the page. It is intended for listing art topics.
