

Welcome to IT & Computing!

The [subject] Team:

Mr D King :Head of Faculty

Mr M Dent :Teacher of Computer Science

Mrs C King :Teacher of ICT

HEALING
SCHOOL

A Science Academy

What you are going to learn in Year 7:

In Year 7 we learn a variety of topics relating to IT & Computing. This includes:

An introduction to IT within Healing School

How computers work

The security measures online companies put in place

An introduction to IT & Computing

So why is IT & Computing so important to learn about? With the world being in a digital age, and many of you completing school work electronically, we think it's pretty important!

Try to have a think of all the devices you might use or ways you might interact with Computing at home. Mrs King loves to use the internet to do her shopping, so we've given you an example below—see what else you can add to it!

Internet

Clothes
Shopping

How do we use
computers?

Task :The Internet has greatly changed our lives. How much do you know about what tasks you can and cannot do using the internet? Put the given statements into the correct boxes.

Can do	Cannot do

- Pay bills and transfer money
- Book holidays
- Download music and films
- Try on clothes before buying them
- Withdraw cash

Topics I have already studied in IT & Computing:
