

Music Revision

GCSE Eduqas Specification from
2016 onwards.

Before You Begin Revising.

1. Plan ahead of exams = plenty of time.
2. Note down all important dates
 - a) *Deadline for Performance and Composition coursework: 26th March 2021.*
 - b) *Tuesday 15th June 2021 (pm)*
3. Set long-term and short-term goals to clarify what you want to achieve.

Before You Begin Revising.

4. Keep your study space tidy.
5. Make use of resources and revision tools such as handy websites, books and past papers.

During Revision

1. Revise in mini sessions.
2. Use practical memory aids: flashcards, minds maps, videos on YouTube.

During Revision

3. Practice your revision points with a friend/parent through teaching and testing.
4. Always listen to audio examples to aid understanding.

Motivation

1. Set breaks during your revision as something to work towards.
2. Finish other tasks to avoid procrastination.
3. Avoid **Social Media**, use this as your reward once you've completed your revision.

Focused on Music

- Go onto Focus on Sound, complete revision and tests to aid your practice.
- Use also the resources that have been shared on Google Classroom to aid the creation of your own revision.

Focused on Music

- Use Google Classrooms appropriately as a Forum to discuss ideas with peers and revise key words.
- Go onto BBC Bitesize, focusing on the content created for Eduqas.
- Listen to set works everyday to know them inside out.

Focused on Music

- Ensure you are listening to lots of different types of music, listening out for particular key features you may be focusing on in your revision session – small chunks!
- ABRSM Aural Trainer Lite/Big Ears – Aural training apps you can download for your phone.
