

December 2018

Dear Parent/ Carer

Please find enclosed the Year 11 Intervention timetable for the Spring term with effect from 07/01/19. As you will appreciate, these sessions provide crucial additional support for your child and as such are aimed at boosting GCSE performance at all levels and, in particular, at both the “standard” pass (grade 4 and above) and the “strong” pass (grade 5 and above).

As you will be aware, it is an expectation by employers and further education establishments that pupils should achieve at least a Grade 4 (equivalent of a Grade C) in their chosen subjects. Attendance at all relevant revision sessions is therefore an expectation.

All sessions will take place in individual faculty areas and will be delivered by specialist staff in each subject. Each subject leader will hold a register of pupils in attendance.

Thank you in anticipation of your support – by working together with our parents and carers we aim to ensure the best possible outcomes for our pupils. Please do not hesitate to contact me if you require any further information.

Yours sincerely

Mrs A Smith
(Vice Principal)
