Dear Parent/Carer

**Re: Road works on Stallingborough Road, Healing**

Please be aware that the school has been informed of forthcoming road works on Stallingborough Road, Healing, where there are currently temporary traffic signals to assist the building of the access to the new 'Quintessential' Housing development in Healing. The B1210 between Stallingborough and Healing Villages will be partly closed from **the 11<sup>th</sup> to the 14<sup>th</sup> June 2019**.

Following communication from the Traffic team at ENGIE, in association with North East Lincolnshire Council, we have been assured that the Stallingborough school bus services will continue to run at the normal times. We are also informed that the public transport facility will be serviced via a shuttlebus during this period of road closure.

Should you have any queries, I'd be grateful if you would direct them to the Traffic team at ENGIE for further guidance as follows:

Yours sincerely

Mrs M. Dewland
