Dear Parent/Carer

Re: Achievement points app trial

At Healing School, we are dedicated to promoting and celebrating pupil achievements and would like to encourage parental engagement with our achievement system. Therefore, we have devised a new section on the School Gateway to share the fantastic successes of Healing School pupils with parents/carers.

The addition to the current School Gateway will share certain topics and subjects for which pupils have been awarded achievement points. This will be updated twice daily and parents/carers have the option of receiving notifications for new achievement point information via the app.

Parents/carers who do not already have the app can download it for free by searching for 'School Gateway' via the relevant app store. Alternatively, you can access this information via www.schoolgateway.com. The school must hold your most up-to-date contact details in order for the app to work, therefore please inform the school office in writing if your details have changed. The app will automatically update accordingly for those who have already downloaded it.

For help and guidance using the School Gateway, please use the following links:

- <https://schoolgateway.co.uk/get-started/> (smartphone/tablet link)
- <https://login.schoolgateway.com/0/auth/register> (computer link)

Exemplar screenshots can be found using this link:

- <https://schoolgateway.co.uk/#>

We hope that you are able to utilise this addition to the School Gateway and join us in commending our outstanding pupils.

Yours sincerely

Mrs C. Gunn
Vice Principal
